- 8.1 To be eligible for any position in the Final Championship Classification, each competitor must have assisted in the organisation of at least one qualifying round during that year. An individual cannot compete on the qualifying round(s) on which they satisfy this requirement.

- Secretary of the Meeting
- Chief Marshal
- Chief Timekeeper

This will be the case until four or less rounds make up the championship at which point all rounds will count.

11. Ties

- 11.1 If a tie should exist at the season end, it will be decided in favour of the competitor with the greatest number of highest point's scores, then second highest, third highest and so on down to tenth place on the events that made up the competitors final total.
- 11.2 Should article 11.1 not resolve the tie, it will be decided in the favour of the competitor with the highest points allocation on the last qualifying round that all competitors concerned started.
